## 1. Are our proposals for the Annual Assurance Statement right?

We feel that additional time to complete and submit AAS would be beneficial given preparation is likely to coincide with opening up all our services again. However we would endeavour to meet the 31 October deadline if an extension wasn't granted. We also note that new guidance is expected at end of August and an additional period will allow for detailed engagement re guidance with our governing body.

**2. Should we publish advisory guidance to assist landlords to adapt their approach to the submission of the AAS?**

Advisory guidance would be welcome

**3. Would you like to make any other comments or suggestions about our approach to getting Annual Assurance Statements?**
