Dear George Walker

Consultation on our future regulatory approach in response to the COVID-19 pandemic.

Thank you for the opportunity to respond to the Consultation on our future regulatory approach in response to the COVID-19 pandemic.

Renfrewshire Council is in agreement with the Scottish Housing Regulator's approach to the changes proposed to the framework which covers the following three areas:-

- Submission of Annual Assurance Statement;
- Publication of Scottish Social Housing Charter performance reports by landlords; and
- Publication of Engagement Plans and Regulatory Status.

Yours sincerely

Fraser Carlin
