

Consultation on indicators for the Energy Efficiency Standard for Social Housing 2: Consultation questions

We welcome your general feedback on our proposals as well as answers to the specific questions we have raised. Please do not feel you have to answer every question unless you wish to do so.

Send your completed questionnaire to us by **15 January 2021**.

How you would like your response to be handled

To help make this a transparent process we intend to publish on our website the responses we receive, as we receive them. Please let us know how you would like us to handle your response. If you are responding as an individual, we will not publish your contact details.

Are you happy for your response to be published on our website?

Yes

If you are responding as an individual ...

□□□

Please tell us how you would like your response to be published.

Pick 1

Publish my full response, including my name

Please publish my response, but not my name

1. Is there anything not covered by the proposed indicators? (if yes, please explain)

Feel everything is covered

2. Are there any indicators that you feel are not appropriate and, if so, why?

Feel this is well covered.

3. Is there any information we ask for that you feel does not need to be included or that we have been missed?

Questions are appropriate and cover everything

4: Would you like to make any other comments or suggestions about our proposed indicators?

Look at Government/other funding to support HRA
Look at the life cycle costs of the improvements
What impact will these indicators have on rents
How will the running costs be measured to ensure they are beneficial to tenants
Ensure the indicators are meaningful to tenants' wellbeing

Thank you for taking the time to give us your feedback!
