Yes

If you are responding as an individual ...

Please tell us how you would like your response to be published.

Pick 1

Publish my full response, including my name

Please publish my response, but not my name

1. Is there anything not covered by the proposed indicators? (if yes, please explain)

No

2. Are there any indicators that you feel are not appropriate and, if so, why?

3. Is there any information we ask for that you feel does not need to be included or that we have been missed?

There is no timescale given for the production of the additional guidance on Air Quality monitoring. This will require careful planning and budgeting to achieve and it is therefore paramount this is produced as earlier as possible.

4: Would you like to make any other comments or suggestions about our proposed indicators?

No

Thank you for taking the time to give us your feedback!
