**1. Is there anything not covered by the proposed indicators? (if yes, please explain)**

No

**2. Are there any indicators that you feel are not appropriate and, if so, why?**

No

**3. Is there any information we ask for that you feel does not need to be included or that we have been missed?**

No

**4: Would you like to make any other comments or suggestions about our proposed indicators?**

It would be helpful to be kept informed of any ongoing development of the EESSH2 standard and especially any further development of the proposals to restrict the range of exemptions for letting any dwellings rated lower than EPC Band D post April 2025 and how this may be reflected in finalised indicators.

**Thank you for taking the time to give us your feedback!**
